GROW... EXPLORE... DISCOVER...

Why Vidya Academy?

In addition to the curriculum, Vidya Academy will cater to the cognitive, creative, linguistic, social and emotional development of each child. We will encourage your child to look for peer relationships, interact cooperatively, communicate well, contribute, and assist in enhancing life skills. In all, we vow that a student of Vidya Academy will positively graduate as an empowered, wholesome individual.

Key Skills developed during Pre-School Activities

- **Cognitive Development:** Helps in self-esteem, confidence, problem solving, builds vocabulary, planning, exploring and experimenting.
- **Physical Development:** Helps in Muscle Control, balancing and coordination.
- **Social and Emotional Development:** Creating positive personal identity, developing friendships, developing memory and curiosity, participating and engaging.
- **Language Development:** Reading, writing, listening, independent and self-help skills.
- **Self Help Skills:** Fine motor movements, Self-feeding, Self-dressing and grooming, hygiene and toileting, helping with chores.

How Children Learn?

Your young child learns through everyday play and exploration in a safe and stimulating environment. Pre-schooling is the foundation for your child's healthy learning and development. Every day, the child interacts with other children through play which enables him/her in thinking, develop communication, problem solving, decision making and most importantly building interpersonal relationships.

Highlights:

- A well-rounded curriculum.
- Smart Classrooms.
- Library to inculcate early reading habits.
- Colorful activity rooms.
- Quality early years care and education.
- Safe and secure campus with cctv surveillance.

What we believe in?

At **Vidya Academy**, our focus is to develop well rounded, confident and motivated individuals, while we provide them with a solid foundation to build on. We aspire to do this by creating an inclusive and supportive child friendly environment in which we give ample emphasis on values and character building through multi-dimensional learning. We believe every child is special and therefore emphasize on addressing every child's needs as an individual.
